**South Easton, Mass.** – The Northeast-10 Conference has announced its All-Academic teams for the 2009 Spring athletic season in the sports of Baseball, Men’s Golf, Men’s Lacrosse, Women’s Lacrosse, Softball, Men’s Tennis, Women’s Tennis, Men’s Track & Field and Women’s Track & Field. A total of 83 student-athletes have been named to the nine teams.

Bentley University featured the most student-athletes selected to the Northeast-10 All-Academic teams with 15, followed by the University of Massachusetts Lowell with eight student-athletes honored. The University of New Haven and Stonehill College each had seven student-athletes represented.

Fourteen student-athletes have been named to their respective all-academic teams for the third straight year and 45 student-athletes earned All-Northeast-10 Academic honors for the first time.

Highlighted among the 83 all-academic selections are 55 student-athletes that excelled at a high level not only in the classroom but on the field of play as well, earning Northeast-10 All-Conference accolades this year. Also featured among those 55 are Le Moyne College senior *Jennifer Farrelly (Latham, N.Y.)* and Southern Connecticut State University senior *Letecia Taylor (Plainfield, N.J.)* who both earned Northeast-10 Player of the Year honors in their respective sports of softball and track & field. Stonehill’s *Jaelyn Craig (Rocky Point, N.Y.)* received NE-10 Defensive Player of the Year honors in women’s lacrosse.

To be eligible for selection to the academic teams, a student-athlete must have met and/or exceeded the following minimum standards: 1) participated in at least half of the team’s competitions and be either a starter or significant contributor; 2) achieved a 3.30 cumulative grade point average (on a 4.0 scale); and 3) completed at least one academic year at his/her current institution. The Northeast-10 All-Academic Teams are chosen by a vote of the Northeast-10 Sports Information Directors.

With 15 member institutions the Northeast-10 is the second largest NCAA Division II athletic conference in the nation. Its 23 championship sports provide athletic opportunities for over 5,500 student-athletes, the largest such program of any Division II conference.
